Theodore is pleased to present ICYMI, an exhibition highlighting some of the artists that have exhibited in the gallery over the past three years.

The gallery relocated to 373 Broadway in April 2021. The world, the economy, the art world, the neighborhood, all have undergone so much change. I had no idea that six years later I would not just survive but thrive. All credit is due to the artists with whom I collaborated -- intelligent, patient, diligent, and committed visionaries.

I have heard many people say that visiting this building is not so convenient. Ergo, this show is intended as an encore, to give visitors both frequent and occasional the opportunity to see what they might have missed. The works herein include both new unseen work and pieces exhibited in earlier shows.

IN CASE YOU MISSED IT.

In gratitude and in hope, we persist.

See you in Tribeca
