## *Bill Albertini*

*Keep your “hands off.”*

Theodore Gallery, 373 Broadway, tenth fl., through December 10.

At Stephanie Theodore's gallery, there's the glowing geometric recycling of Bill Albertini's early work using all sorts of new technologies. The result is a combination of the inside of a wasp's nest and kaleidoscopic hallucination that seems to whisper, “Enter here.” — *Jerry Saltz*
